Pi Yao is one of the most powerful Chinese symbol of creature to bring wealth and get rid of the sha chi (bad energy) from your place.

If you are having difficult time in your life right now, this will help your life get better, and whenever you make a wish to this Pi Yao, he will help your wish come true. Also Pi Yao has strong power for wealth luck , In fact, many people already got the advantage.

The best place to display this Pi Yao for this year is East or Southeast or South of your livingroom or house. Also great to place it near your main door face to outside for protection. (Never place him in your bathroom, and kitchen)

This is a favorite character for Asian Gamblers who display this in a window to bring luck into their house. The Pi Yao is an extremely powerful God that is used to appease the Grand Duke Jupiter (Tai Sui).

You should place a Pi Yao if you have just moved into a new home or renovated or carried out building work or are having a run of bad luck. He is also known as the lottery God and many believe by placing lottery cards under him will bring good luck.
